

Directions from Geneva airport Swiss Sector to Chalet Falcon, Samoens

- Exit the car park and **DRIVE ON THE RIGHT HAND SIDE OF THE ROAD**
- As you leave the airport go straight ahead but stay in the middle lane. Follow the overhead signs for France. After approx 300-400 metres you turn left at some traffic lights following the signs for France...you have priority over the on-coming traffic.
- After approx 100m at the next set of lights you will turn immediately right and onto the main motorway, following signs for France / Chamonix / Mont Blanc tunnel and the **A40 Chamonix motorway**.
- Continue to follow these signs for France / Chamonix / Mont Blanc tunnel from Geneva, through the passport control and into France.
- Leave the A40 motorway at Junction 15 and follow signposts for Fillinges / Vallee Verte / Samoens. **This junction is straight after the tollbooths**. Stay on the main road as it bends left & crosses back over the motorway, and then after 400m take the exit to your right following the signs for Vallee Verte / Samoens.
- After a few kilometres you arrive at a small roundabout, turn right following the signs for St Jeoire / Samoens. Stay on this road for approx 20km, passing St Jeoire on your left, until you reach the town of Taninges. Continue straight ahead through Taninges following signs for Samoens (do not turn left to Morzine / Les Gets).
- You now follow the road to Samoens along the valley bottom for the next 10km, passing through the village of Verchaix and then the Carrefour supermarket on your right.
- As you enter the town of Samoens you will pass over two speed bumps and arrive at a No Entry sign. At this sign take the right turn followed by a left turn after 100m to the Samoens Tourist Office. Carry on past the Tourist Office over the next 2 roundabouts, past the Dairy on your right hand side until you reach a crossroads.
- Turn left here following signs for the **Col de Joux Plan** and then sharp right after 100m still following the signs for the Col de Joux Plan. This small road runs through some old chalet buildings before bending left and climbing gradually up two hairpin bends and passing a small sign on your right for 'La Falconniere'. Do not take the small right hand turn to 'Les Allemands' on the left hairpin.
- After another 50m you will see a very small, sharp right hand turning with a 'No Through Road' signpost. Take this sharp right hand turn up the hill; it climbs for approx 400m round a left hand bend before arriving at Chalet Falcon on your right hand side. We are the chalet with the large balcony on top of the double garage.
- Please park outside the double garage in one of the parking spots on the driveway
